Notations guide

- The notations are in Indian classical music style
- small letters refer to komal swaras and capital letters denote shudh/teevra swaras.
In other words, the octave is divided as:
s r R g G m M p d D n N
Thus all small letter swaras refers to raga todi (carnatic)/ bhairavi (hindustani).
All capital letter swaras refer to Kalyani (carnatic) / yaman (hindustani).
- Swaras of the lower octave are indicted by an underline.
- Swaras of the upper octave are indicated by **bold** characters.
